GGAC-NYLT STAFF

Why be a member of NYLT Staff?

- Fun
- Hard work
- Helps other Scouts to learn leadership
- Learn more about the leadership skills by teaching them,
- Learn about leadership by acting as a Troop Guide to NYLT Participants, and
- Learn more about leadership by working with other youth and adult staff members

NYLT Staff is hard work. We have roughly one evening meeting per month and a weekend commitment each month from January until Course. However, if you look at a number of Council Level Scout functions, you will find NYLT Staff members there.

NYLT Staff is the leadership continuum beyond NYLT. You will get to know the leadership skills far better than you did during your course. You will learn by teaching the skills and learn by using the tools in a high-energy training course run by Scouts/Venturers. You will have to apply the NYLT Leadership Skills by acting as a Troop Guide (or other leadership position) to Scouts/Venturers who are being taught the skills. Through the materials you present and the example you set, you will be providing guidance and leadership to other Scouts/Venturers.

NYLT Staff is a lot of fun. You can tell that by looking at the tenure of many of our staff. If it weren't fun, they wouldn't come back. The weekend staff events do require that you prepare material and are ready to learn. But you learn new songs and skits as part of Staff Development and the Commissary staff makes sure that you are well fed.

If you want a challenging but very rewarding task in Scouting, join the NYLT Staff.
